01 PROFILE

As a recent Computer Science graduate , Throughout my academic journey, I gained hands-on experience in developing social media campaigns and conducting market research. I pride myself on being a creative thinker with strong problem-solving abilities, constantly seeking innovative ways to engage audiences and achieve impactful results. I am excited to join a dynamic team where I can contribute to a company's growth and success while embracing a culture of innovation.I look forward to connecting and exploring potential collaboration opportunities!
